MISCELLANEOUS PCR – TEST REQUIREMENTS & SHIPPING INSTRUCTIONS

Pricing Update Effective 10/16/2017

Test and Shipping Requirements:

The required collection tubes for each test or test panel are listed below. **Tubes must be clearly labeled with the patient’s first and last name, date of collection, and patient’s date of birth.**

[Required]:

- **Samples should be collected on Monday, Tuesday, or Wednesday**
- **Samples should be shipped as soon as possible. DO NOT ship on Thursday or Friday. IGeneX, Inc. is closed on weekends and cannot receive samples**
- **Test Requisition Form must be completely filled out or it may result in the delay of testing**
- **Include prepayment (We accept Visa, MasterCard, Discover, American Express, and Personal Check). If you have Medicare, please ensure you include a copy of your Medicare card and/or Primary Insurance card. *We only accept credit cards for Canadian or International patients. Please refer to prepayment and billing policies for details.**

*Patient statement will be mailed to patient for insurance reimbursement.

Packing Procedure:

Inner Packaging

1. Place tubes and the enclosed absorbent paper between the styrofoam holder
2. Rubber band the styrofoam holder and place it inside of the enclosed clear Ziploc bag
3. Place Ziploc bag and completed Test Requisition Form inside the white cardboard box

Outer Packaging

1. Place white cardboard box inside the UN3373 FedEx Pak and seal the bag shut
2. Fill out the sender information on the 2Day FedEx Billable Stamp
3. Place Billable Stamp on the front of the UN3373 FedEx Pak
Keep Billable Stamp receipt for future reference

Test Kit Shipping Instructions:

***Reminder: Ship Monday through Wednesday – DO NOT ship specimens on Thursday or Friday**

➤ **Take the package to your nearest FedEx location. Visit <http://www.fedex.com> for assistance with your shipping needs**
